As UL Solutions addresses the cost of doing business in a global marketplace, Follow-up Services pricing may be adjusted for 2023. Price increases impacting Follow-Up Services are typically determined based on local market inflation and other factors. If you'd like to understand specific price changes for your business, please reach out to your UL Solutions account representative.

Any existing purchase orders (PO's) for Follow-Up Services will automatically be carried over to 2023 invoices. If you plan to update your PO for the coming year, please visit www.ul.com/contact-us, choose Customer Service, and include your company name, applicant or manufacturer name, contact phone number and your last invoice number.

Note: All payments are to be made directly from an institution and from an account that are not subject to any United Nations, local or U.S. sanction.
